PRINCIPAL'S REPORT

Stage 2 building works continued at the Junior/Senior Campus this week with the commencement of the pouring of the concrete foundations for our Wood Technology and Building/Construction building. There were many curious onlookers including staff and students. Our Junior School students were able to peep through the specially made Perspex windows, dotted along the wooden fence line, and were in awe of the machinery and construction men at work. It is very exciting to see the Stage 2 building works progressing and I look forward to bringing you further updates.

Principal

VALUE OF THE FORTNIGHT

We will be studying the value, Trustworthiness, next week. Today I sang the Hawthorn Football Club song because the Brisbane Lions lost their game against the Hawks last Sunday.

I am a trustworthy person who always keeps my promises no matter how difficult it can get.
