PRINCIPAL'S REPORT

Our new Technology Wing has reached a new stage of development with the commencement of brick walls and the installation of window frames. It won't be long before the internal wall cladding will commence. I would like to congratulate our builders, May Constructions, for the extraordinary progress that is being made.

VALUE OF THE FORTNIGHT

We will study the value, Patience, next week. Patience means waiting and trusting that everything will be ok. It is being calm and tolerant even in difficult situations. It requires self-control. It is about sticking to something until you get the result you want.

JUNIOR SCHOOL NEWS—OAKLEIGH RECYCLING CENTRE

On Tuesday JSL, JSK, JSI and JSJ took our containers to the Oakleigh Recycling Centre to get money. First, we got on the bus after recess. Second, we listened to Ruby talk about how bottles are made. Then we put the containers in the machines. Next we looked at the machines on a special behind the scenes tour. Finally we got the ticket, scanned it and money came out! We had fun and learned how to make new bottles.

ATHLETICS UPDATE

Secondary Division Finals

Last Monday Omal T (MSL) and Dakota A (MSF) represented Emerson at the Secondary Division Finals at Ross Reserve. For Omal, this was where his athletics journey started last year. What struck me about Omal this time was how relaxed he was. Omal won the 100m, 200m, 400m and long jump. He came second in the high jump. Omal broke his PB in the 100m, 200m, 400m and long jump. He ran the fastest 100m and 200m on the day, as well as the longest jump. Omal was again crowned Age Group Champion.

While the competition may have been more fierce, Dakota still dominated. She won the 100m, 400m, 800m and 1500m and was a very deserved Age Group Champion.

Omali and Dakota will join their Emerson peers at the Secondary Region Finals next month having qualified in four events each.

Thank you to Adam Shaw for supporting both students on the day.
