PRINCIPAL'S REPORT

Many students and staff have been commenting on the Paralympics. One of the most reported events was the Australian Steelers Men's Rugby team. Their speed, strength and teamwork has captured the imagination of many people.

We have received news that our former School Captain, Nicholas Hum, will be competing in the T20 Long Jump at the Paralympics this coming Sunday, 8th September at 3.08 am.

Best wishes Nick! We are right behind you!

VALUE OF THE FORTNIGHT

Fairness does not mean that everyone gets the same. It does mean that everyone gets what they need.

Fairness is NOT treating everyone the same. It is demonstrated by giving others what they need.

Our 'NO Hat NO play' policy is a very fair way of teaching students the importance of preventing skin cancer.

Students who forget their hat are asked to sit in the shade so that their skin is protected from the harsh UV rays from our summer sun. Students who are wearing hats can play as their hats will protect them from the sun. It would be unfair for them to be made to sit in the shade as they do not need the same protection.

JUNIOR SCHOOL NEWS—JSJ’S EXCURSION TO SCIENCEWORKS

On Thursday 30th August, the students from JSJ went on an excursion to the Scienceworks Air Playground. This was a terrific and fun opportunity for them to explore push and pull forces as part of the Victorian Science Curriculum. They had such a wonderful time exploring the force of air coming out of aggie pipes and balancing balls above it, pushing scarves through pipes and watching them be sucked up and spat out at the other end, running through a windy tunnel and jumping in the air castle.

Afterwards we had lunch at a nearby park. The park had so much play equipment, including a flying fox, it was a real treat!
