PRINCIPAL'S REPORT

Congratulations to the students of SSE and their Teacher, Danushka Fernando, for their magnificent work in preparing cupcake orders as part of their study requirements. The baking of the cupcakes, decoration, presentation and packaging was of the highest order. They were almost too good to eat!

VALUE OF THE FORTNIGHT

We will continue our study of the value, self-discipline, next week. When we practise self-discipline, we are controlling our own behaviour. Other people do not have to watch over us or control us. We can plan effectively, be responsible for our progress and achieve our goals in life.

People who lack self-discipline often lose control of their emotions. This often causes others to become hurt or upset. Self-disciplined people earn the respect of others as they treat them in a calm and thoughtful manner.

Campus Principal, Middle School***

JUNIOR SCHOOL NEWS—THE MAGIC OF THE FOUR SEASONS

On October 23rd, Junior School hosted "The Magic of the Four Seasons" Concert, and it was a wonderful success! Our students performed beautifully, capturing the spirit of each season using music and dance. From the lively sounds of spring to the peaceful tunes of winter, the concert showcased the talent and effort of everyone involved. Continuing our tradition, the Junior School staff joined in the fun with a special performance for the students.

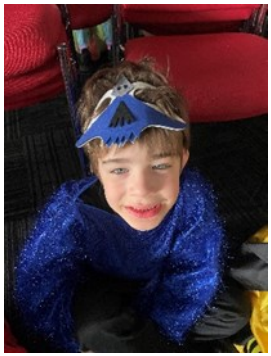

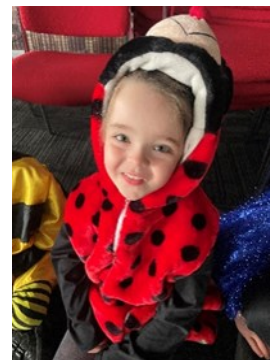

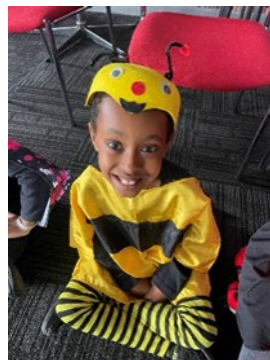

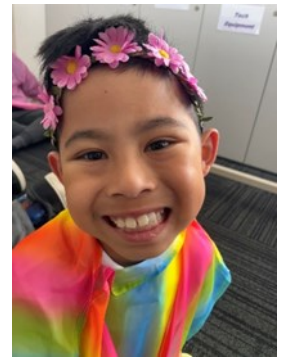

A heartfelt thank you goes out to all the students and staff who dedicated countless hours to planning, creating costumes and decorating the Emerson room to make this event truly memorable. A special thanks to Ms Ralph, Ms Sidhu, Leanne Gal, Mr Dennis and Ms Russell for their invaluable contributions.

The standard has been set high for future events!
